

Stephanie Defregger

PHOTOGRAPHY

Kia ora and a warm welcome

to this small & happy photography business right at the bottom of the beautiful Port Hills in Otautahi, Christchurch.

My name is Stephanie,

I have been portraying hundreds of families over the past 20 years and I love creating beautiful, heart warming images by capturing natural and soulful moments of fun-loving and relaxed people.

I feel drawn to the essence and energy that is present in each connection.

In short - I capture moments that are real, connected and beautiful - and put them into photographs for you.

“Stephanie is an amazing artist and an absolute delight to work with! Her delightful manner made our whole shoot feel like fun times with a good friend. She was so accommodating and helpful, discussing details from clothing to selecting prints. We are just so thrilled with our pictures, and the moment in time that she captured so beautifully. Stephanie is able to capture the soul of a person because she has a beautiful soul herself.”

“Stephanie took us to the most beautiful place in nature and took so much time to make us all comfortable and relaxed.

We had a really good time together, it felt more like an adventure than an appointment and was a lot of fun.

We have two teenage girls who are very skeptical about their photos but they also love the results.”

GOOD TO KNOW

HOW DOES IT WORK?

We will meet up in person or via a video call to get a clear picture of what is important for you and which location is best. Being outside has so many advantages - the natural light is beautiful, the kids can run around and we are in a beautiful natural background. I will direct you from time to time but mostly I will also let things unfold. Bring some food, games and a blanket and we will make it an unforgettable and enjoyable experience. My aim is to give you beautiful soul of your family and to capture you as you are. I also focus on different constellations i.e. the whole family, the children together, single portraits, etc. I am gentle with people who are camera shy and I'll help you to be relaxed and to have fun. Having 3 children of my own helps, I know how to go with the flow.

WHAT HAPPENS AFTER THE SESSION?

After 2-4 weeks your photos will be ready to view. We will meet up in person or in a video call and I will present them to you. You will be able to choose your favourite images within the next 2 weeks. When you have finished your selection, we can have another meeting to discuss your options regarding professional prints, frames, canvas, matted prints or albums.

WHAT ELSE DO WE NEED TO KNOW?

The session requires a non-refundable deposit of \$400. Travel is additional. If it is wet or unsuitable weather on the day we will reschedule at a mutually convenient time.

THAT ALL SOUNDS GREAT - HOW DO WE BOOK AND PAY?

Please reply to this email and we can arrange a date. I will send you a deposit invoice and the contract. Your booking will be secure as soon as you have paid the deposit. If you have any questions you can call me on 02102 394 395.

I am looking forward to meeting you and your family in person soon.

“We love what Stephanie has captured. The family photographs are real, wonderful and will be treasured for a long time.

When we look at what she has created, we think of fabulous times with loved ones - more precious than gold.”
